World Championships 2017: Bulletin no. 4

WORLD BOWLING proudly presents the World Championships 2017 Bulletin no.4 for WORLD BOWLING member federations.

The World Championships 2017 will be hosted by World Bowling.

It is important to note the following new information regarding the 2017 World Championships:

- 1. Marios Nicolaides has been appointed the Technical Delegate for the 2017 World Championships by Kevin Dornberger, CEO and Chairman of the World Championship events.**
- 2. As a reminder, the Program Book for the World Championships will be contained in the November issue of the Bowlers Journal Magazine. We have been advised that the names of participating athletes, and the names and titles of participating officials, must be submitted by **September 15, 2017**; otherwise there is no assurance that they can be included in the Program Book. At this point we have received names from only a few federations. **If you prefer that the names of your federation delegation be included in the Book please submit them to us as soon as possible.****
