World Junior Championships

The 2019 World Junior Championships (WJC) was held in Saint Maximin and Paris, France from March 16-23, 2019. The qualifying portion of the Championships was held at Plaza Bowling Saint Maximin. All Finals except Singles were conducting on temporary lanes installed within the Judo Auditorium in Paris, to showcase the sport in an environment that sports officials are not familiar with. The 4.5 hour TV broadcast was available on the Olympic Channel and many global commercial platforms. The Finals were attended by representatives of Paris 2024, and the President of the French Olympic Committee.

2019 WWC and WSrC

The Pattern Bank for the WWC will be Bank 30, and for the WSrC will be Bank 40.

2021 WJC, 2022 WMC and WYC

The bid materials for hosting the 2021 World Junior Championships, the 2022 World Men’s Championships and World Youth Championships, and potentially the 2023 World Women Championships and World Junior Championships will be available later this year; at such time all federations will receive them. We encourage you to consider the possibility of hosting one or more. No host fees apply to the Junior and Senior Championships. While there are suggested host fees for all other Championships, World Bowling considers other factors as well in awarding hosts. Further information will be available at the time of distribution.
